Fiona's 5 Tips To Bewitch A Man!

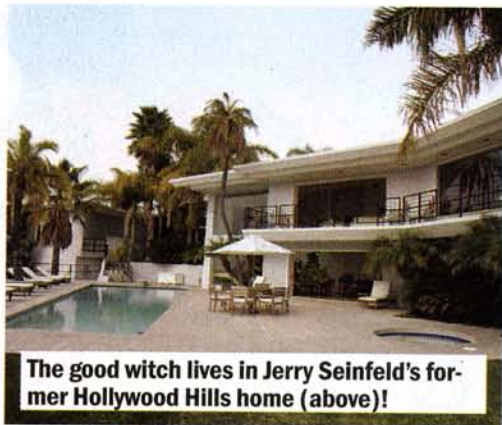

- 1** Tuck a sprig of lavender in your bra next to your heart — it attracts love!
- 2** Dress to impress yourself! Let your inner goddess shine by taking pride in your appearance. Plus, wear one clothing item inside-out to turn around bad luck.
- 3** Say the bewitcher's mantra seven times a day: "I don't get older, I get better." Your perfect love will come no matter your age.
- 4** Bewitch yourself first! No one will love you if you don't love yourself. When you wake up in the morning, look in the mirror and say, "Good morning, gorgeous!" Soon a man will be saying it to you!
- 5** Don't let obstacles stop you. Every failed relationship is guiding you to the right one.

THEY don't all twitch their noses, ride brooms or wear pointy black hats. Some witches, like Australian-born beauty **Fiona Horne**, are blonde, curvaceous and cast only good spells! "I am a modern witch. We try to create positive change in our lives and in those of others," says the 40-year-old Wiccan and former rock star, who taught **Tyra Banks** a special love spell when she appeared on the model's talk show on Jan. 29. ("I thought witches would be all green and nasty!" joked Tyra. "But check her out!") In fact, this witchy woman, who has written eight books on her craft and spoken at Harvard, has been advising some of Hollywood's biggest stars since moving to L.A. in 2001. Fiona claims to count **Pink**, **Alanis Morissette**, **Rose McGowan**, **Britney Spears** and **Nicolas Cage** among her clients. "I do this from my heart," says Fiona, who doesn't charge a fee but instead asks the stars to make donations to a charity of their choice. "I am single and happy to be helping others with their love life for now! I get great pleasure from making other people happy!" Now that's what we'd call the good witch of the west! — **HEIDI PARKER** ★

A Special G Luck Spell Fo

During a full moon (as she should sit in a circle of seven candles in front of a mirror. Then hold a red rose to her head and gaze into her own eyes in the mirror and say seven times: "I am worthy. I am worthy of grace. Peace and love take their place in my heart and mind. Health and harmony now and forever mine." She should then place a glass of water next to her bed. Hey, it
